

JAMES' CAREER OPTIONS

Anthropology, Archaeology and Astrology,
Chemistry, Biology and Entomology.

Immunology, Pathology and Pharmacology,
Anaesthesiology, Surgery and Gynaecology.

The Law, the Police and Criminology,
Forensics, Genetics and Zoology.

Or become a ...

Doctor of Medicine, Philosophy or Divinity,
Psychology, Psychiatry or Veterinary.

Then, of course, there's ...

Journalism or Shipping or Banking,
Insurance or Sales or Accounting.

Or be ...

A Mathematician, a Scientist or a Teacher,
An Engineer, a Surveyor or a Preacher.

A Gardener, a Chef or a Restaurateur,
Or taste wine – or taste tea – or be an adventurer.

And don't forget ...

The Army, the Air Force and the Navy,
The United Nations, Intelligence or Diplomacy.

So, remember ...

Whatever it is that you choose,
You've got time – and you certainly won't lose,
With all of the above quite apart,
You'll still get off to a very fine start!
